MISSOURI RIGHT TO LIFE

Transforming society to respect and protect all innocent human life.

10 Reasons to DECLINE to Sign

1 Parental Consent laws will be eliminated

If a "right" to abortion is enshrined in our Missouri Constitution it would allow abortions to be performed on pregnant minors without notice to or consent from the minor's parents.

2 Partial-birth / Late-term abortions on demand

If our Missouri Constitution is amended with a "right" to abortion, abortion will be allowed from conception to live birth, including partial-birth / late-term abortions.

3 Abortion - all 9 months

If this amendment passes, abortions will be allowed for "physical or mental health" reasons all 9 months - from conception to live birth.

4 Health & Safety standards eliminated

Missouri law requires health and safety standards for abortion clinics. These would be eliminated if this amendment passes, and would allow anyone to perform abortions without a healthcare license.

5 MO's 52+ pro-life laws will be eliminated

Our Missouri Constitution is our state's supreme (highest) law and governing document. Our pro-life laws will be eliminated by enshrining a "right" to abortion in our Missouri Constitution.

6 Women lose ability to sue for malpractice

A woman's ability to seek criminal prosecution/civil penalty of any person who performs/assists/provides support to induce/seek/obtain an abortion will be eliminated.

7 PRCs forced to refer for abortion

Pregnancy Resource Centers will be forced to refer for abortion.

8 Ultrasounds eliminated

Abortion clinics will no longer be required to offer or show a mother her baby's ultrasound image.

9 Significant $ Loss to MO

Missouri will suffer a significant loss to state and local revenue (the MO AG estimates increased litigation costs alone of up to $21m).

10 Taxpayer-funded abortion

If abortion is enshrined as a "right" in our Missouri Constitution, your legislator will be unable to refuse to appropriate funds to abortion providers.
